

# Franco Galfré

Full Stack Developer

Santa Fe, Argentina

francogalfre.work@gmail.com

[www.linkedin.com](https://www.linkedin.com)

## Professional Summary

Full Stack Developer with 2+ years of freelance experience delivering scalable web solutions. Successfully collaborated with 20+ international clients, specializing in Next.js, TypeScript, and UI/UX Design. Enrolled in the Artificial Intelligence Engineering degree at FICH UNL, combining strong technical skills with a product-focused mindset.

## Work Experience

### Fiverr | Freelance Full Stack Developer & UI/IX Designer

June 2023 - Present

- Architected and deployed custom web applications for over 20 clients, achieving a 5-star rating based on code quality and timely delivery.
- Developed high-performance Single Page Applications (SPAs) using Next.js, React, and Tailwind CSS, significantly improving client SEO and user engagement.
- Managed the end-to-end product lifecycle: from requirements gathering and Figma prototyping to development, testing, and deployment.

## Education

### Engineering in Artificial Intelligence

Universidad Nacional Del Litoral (FICH-UNL) | 2026 - 2031

### Technical Degree In Informatics

Escuela De Educación Técnica N.º 322 "Obispo Gelabert" | 2020 - 2025
